

## Celebrity Support

12<sup>th</sup> March 2009 is the 4<sup>th</sup> World Kidney Day

Our mission is to raise awareness about kidney disease in countries all over the world stressing that:

*'Kidney disease is common, harmful, and treatable'*

We would be delighted to add your name to the list of those who have given their support to World Kidney Day. A simple e-mailed approval from you or your legal representative will suffice.
