

The 14th Budapest Nephrology School

(Nephrology, Hypertension, Dialysis, Transplantation)

Under the Auspices of
ISN and ERA-EDTA
August 25 – 30, 2007

Semmelweis University
Worldwide Hungarian Medical Academy
Avicenna College
University of Toronto
Vanderbilt University Medical Center
International Society for Pathophysiology
Hungarian Kidney Foundation

Dear Colleague,

It is my pleasure to cordially invite you to the **14th Budapest Nephrology School** organized by the Hungarian Kidney Foundation at the Semmelweis University, under the auspices of ISN and ERA-EDTA.

During this **one-week program**, our distinguished international speakers provide updates in nephrology, hypertension, dialysis and transplantation. In fact, we cover the field from molecule to bedside, from most recent scientific advances to the current clinical approaches. You will also enjoy the close interaction with the faculty in small group workshops. You are encouraged to bring your own cases, raise questions and consult your colleagues.

We have acted, based on experience from previous successful years to keep our standards high, invite internationally known speakers, provide the most optimum environment, encourage interaction and at the same time reduce the participation fee to the minimum. Our success is reflected by the increasing number of participants who have repeatedly attended the school. You will also enjoy our exciting social programs.

The 13th Budapest Nephrology School was accredited by the European Accreditation Council for Continuing Medical Education (EACCME) for 30 CME credits. We are expecting to have similar evaluation for the 14th School as well.

Participation fee: 790 EUR (*A limited number of fellowships are available**)

This fee includes:

- **Attendance to nephrology refresher course**
- **Accommodation** in a three star hotel from August 25 to 30 in a double bed room
- **Full boarding** (breakfast, lunch, dinner and refreshments)
- **Social programs** (wine tasting, visit to the Parliament, organ concert, etc.)
- **50% support for buying the book of Nephrology, Hypertension, Dialysis, Transplantation Eds: Thomas E. Anreoli, Eberhard Ritz, László Rosivall, 2006**
- **Hungarian hospitality**

I am looking forward to seeing you in Budapest.

Sincerely yours,

László Rosivall, M.D., PhD., DSc.,
President

Semmelweis University, Faculty of Medicine
Department of Pathophysiology
International Nephrology Research & Training Center
Nagyvárad tér 4, 1089 Budapest, Hungary

*A good part of the actual participation fee is sponsored by the **Hungarian Kidney Foundation** and other national and international organizations for the benefit of the physicians mainly from developing countries. Furthermore, a number of young applicants from developing countries will be supported by a partial/total participation fee waiver. To apply for this opportunity you are required to send a letter stating the reasons for the request of fee waiver together with your Curriculum Vitae and a letter of recommendation. The Organizing Committee will inform you of its decision in time.
